

# Standard and Optional Reports

**S**tandard reports will be provided free of charge to all school districts. Standard reports showing student performance on the Texas Assessment of Knowledge and Skills (TAKS) assessments are as follows.

**1 Confidential Student Report**

The individual student report will show performance data for each student on the subject-area tests. (Two copies will be provided in paper format. These reports also will be available on the TAKS Assessment Management System.)

**2 Confidential Student Label**

An adhesive label that can be placed on each student's permanent record file will be provided. The label will show overall test performance data for the student in each subject area (one copy). The Confidential Student Labels can be declined and no labels will be shipped to the district.

**3 Confidential Campus Roster—All Students**

This alphabetical listing will show individual student performance data. (This report is only available on the TAKS Assessment Management System.)

**4 Confidential Campus Roster—Students Not Meeting Standard**

For each campus the listing will include only students who did not meet the standard. (This report also will be available on the TAKS Assessment Management System.)

**5 Individual Student Record File (Confidential)**

This file contains individual data records for each student for whom an online record was submitted. The student record includes identification data as well as subject-area scores. Objective-level data are included. The individual student record file will be provided to all districts in fixed-length text format. Districts also have the option to order a tab-delimited text file at no charge.
