

Spring 2019 Standard and Additional Reports

Standard reports will be provided free of charge to all school districts. Standard reports showing student performance on the Texas English Language Proficiency Assessment System (TELPAS) Alternate assessments are as follows.

1 TELPAS Alternate Report Card	The TELPAS Alternate report card will show performance data for each student for each domain tested. One copy will be provided in paper format. Printed report cards can be declined by the district. If they are declined, no printed report cards will be shipped to the district. Report cards will be available in the TELPAS Alternate Assessment Management System.
2 Confidential Student Label	An adhesive label that can be placed on each student's permanent record file will be provided. The label will show overall test performance data for the student in each domain tested (one copy). The Confidential Student Labels can be declined by the district. If they are declined, no labels will be shipped to the district.
3 Confidential Campus Roster—All Students	This alphabetical listing will show individual student performance data. This report is only available in the Assessment Management System.
4 Campus and District Summary Reports	These reports will show the performance of students by campus/district. The number and percentage of students at each performance level will be displayed. The information provided at the campus level will also be aggregated and reported at the district level. Both campus and district summary reports are only available in the Assessment Management System.
5 Administration Student Data File (Confidential)	This file contains individual data records for each student for whom a test was submitted. The student record includes identification and demographic data as well as scores for each domain tested. Reporting Category data are included. This file will be provided to all districts in fixed-length text format.
